## Book discussion of *But Now Am Found*

Please join us for a conversation between FSU Professor Patricia Horvath and author Marita Golden (*Migrations of the Heart; The Wide Circumference of Love*) to discuss Horvath's new story collection *But Now Am Found* (Black Lawrence Press). The stories in this collection explore the experience of loss in its myriad guises and the "expansive and freeing idea that a human being who suffers can fall from one grace into another" (*The Los Angeles Review*).
